## Building a Better Halton

### Road Resurfacing Program

### Appleby Line from Heron Way to Taywood Drive

Road resurfacing

Road improvements

**Notice of Construction – PR-3342G**

**September to December 2025**

## ABOUT THIS PROJECT

### IMPROVEMENTS

Halton Region annually resurfaces various roadways across the Region to maintain and extend their life cycle. Beginning September 2025, Halton Region will be starting works related to resurfacing **Appleby Line (Reg. Rd. 20)** from **Heron Way** to **Taywood Drive**, Wards 5 and 6 in the City of Burlington. Please see attached map for the project limits.

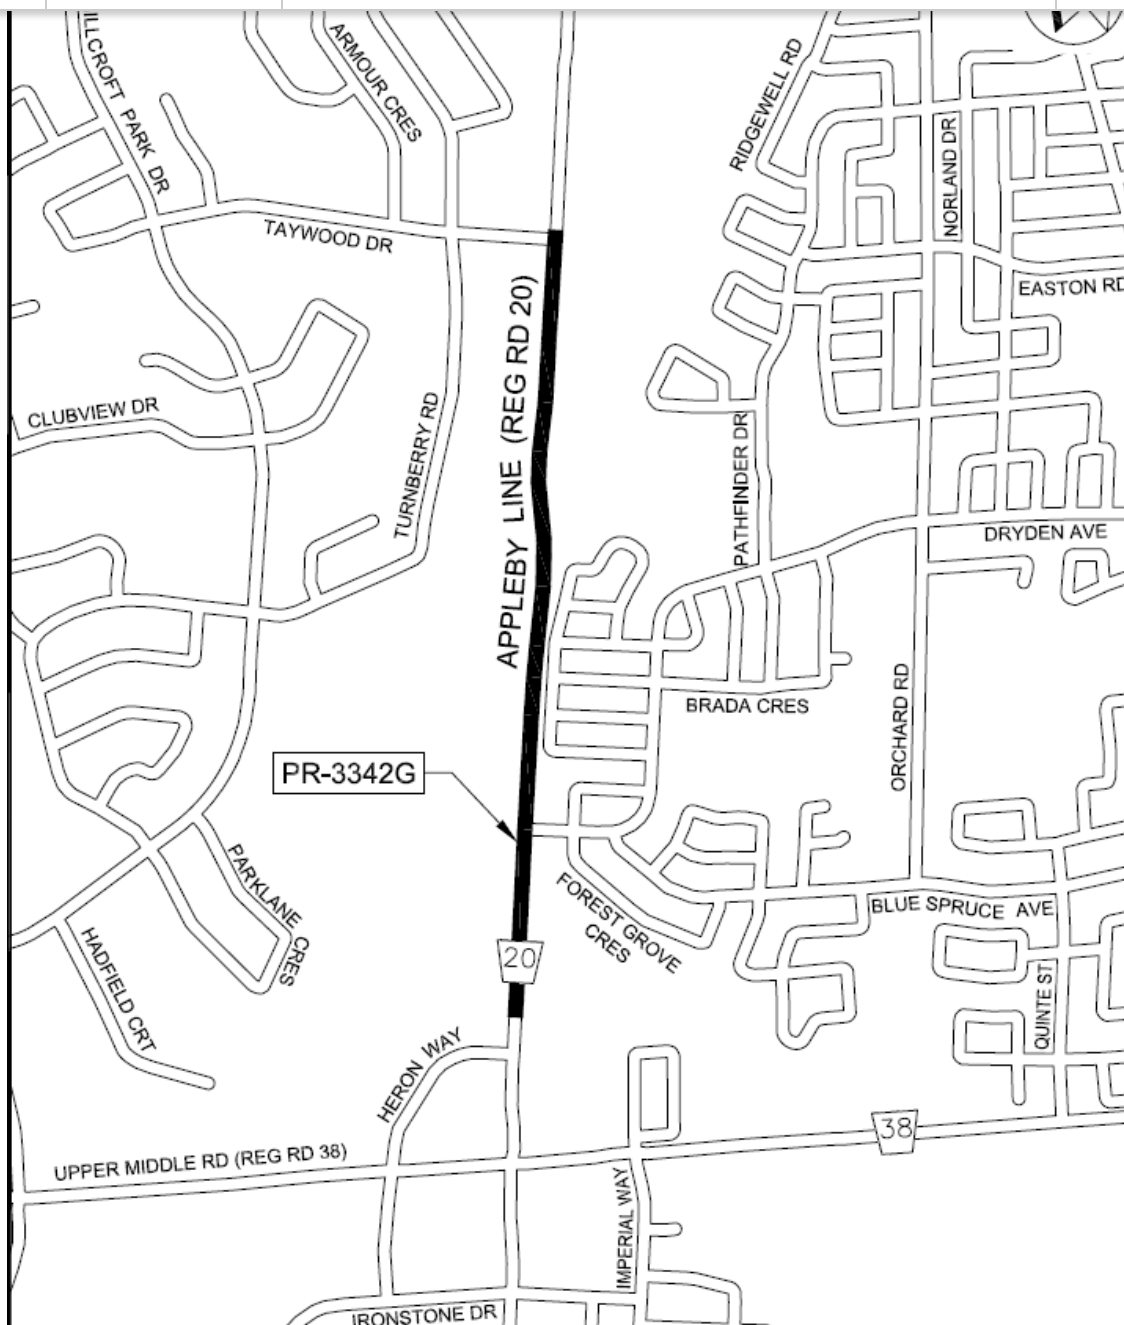

Improvements will include:

- Road repairs and resurfacing.
- Driveway paving to property line on a case-by-case basis for each property.

The contractor for this project is **FOUR SEASONS SITE DEVELOPMENT LTD.**, with contract administration by **J.L. Richards & Associates Limited**. Updates to the construction schedule will be available on the Halton Region Road Resurfacing Program webpage.

To help you plan ahead for construction activity, please read the project related information below. Wherever possible, mitigation plans will be put in place to minimize disruptions.

- **Driveway access:** Direct access to your driveway may be restricted for short periods of time.
- **Dust and mud:** There may be increased levels of dust and mud near the work site. The contractor is required to manage these impacts.
- **Erosion and sediment controls:** We will install erosion and sediment control measures for the duration of the project.
- **Lawn irrigation system:** If you have a lawn irrigation system, please locate, disconnect and remove any sprinkler heads within the public road allowance.
- **Mail delivery:** We do not anticipate any changes or delays to mail delivery. We will provide advance notice if there are any changes.
- **Noise:** You may experience noise as a result of Regional improvements.
- **Precondition photos:** In the coming weeks, a representative will take photos of the project site before the project begins.
- **Traffic delays:** This work may cause traffic delays; lane shifts or lane restrictions. We will make every effort to minimize any potential inconvenience. Emergency vehicle access will be maintained at all times.
- **Truck traffic:** You will notice occasional increases in truck traffic around the ongoing work. Please be aware and use extra caution while driving.
- **Vibration:** You may experience some vibration due to ongoing work. As a precaution, we recommend that you remove or secure objects on shelves and walls.
- **Waste collection:** Your garbage and recycling will continue to be picked up on your regular scheduled collection day.
- **Night work:** Night work and weekend work may be required as part of this project. All work outside normal working hours will be carried out in accordance with municipal by-laws.

ROAD RESURFACING PROGRAM  
 APPLEBY LINE (REG. RD. 20) FROM  
 TAYWOOD DRIVE TO 50m NORTH OF HERON WAY
